

ASSISTIVE DEVICES

Do you have difficulties opening cans and jars?

Do you have trouble holding cutlery?

Do you have trouble reaching your feet to wash, dry, or put on shoes, pants and socks?

Here at SSRG we have Occupational Therapists who are skilled in comprehensive assessment of these types of specific difficulties and who are able to prescribe suitable assistive devices and/or offer advice on managing day to day problems.

Some useful assistive devices that can be prescribed include:

- Easy reachers
- Jar and bottle openers
- Dressing sticks
- Sock donners
- Long handled toe wipers
- Pot holders
- Kettle tippers
- Kitchen trolleys
- Modified scissors
- Modified cutting boards
- Modified cutlery, plates and bowls
- Plate guards
- Modified cups
- Clocks, watches and timers
- Car bars
- Swivel pad car seats
