SMART SOLUTIONS  
REHAB GROUP

## WHO WE ARE

Smart Solutions Rehab Group is a community based Allied Health service on the Sunshine Coast.

Smart Solutions Rehab Group is led by a team of highly skilled, experienced and passionate clinicians, providing the full spectrum of rehabilitation services, and brought together by the shared passion for helping change people's lives.

### Our unique approach and values include...

- Customised rehabilitation plans
- Casemanagement to assist the delivery of services in a coordinated fashion
- Comprehensive team approach
- Goal oriented treatment programs focusing on outcomes
- With the aim of increasing health, wellness, energy and activity levels for a better overall lifestyle

## OUR SERVICES

The services you need, integrated into one comprehensive solution.

Smart Solutions Rehab Group can provide you with individual rehabilitation services, or a fully comprehensive solution that integrates the services and strategies you need to achieve even better outcomes.

### Physiotherapy

Our Physiotherapists focus on restoring and maintaining functional movement, reducing pain, and promoting individual health.

### Occupational Therapy

Our Occupational Therapists help people to perform and participate in the activities that make up their daily lives, maximising independence and improving quality of life.

### Speech Pathology

Our Speech Pathologists provide the strategies and systems to help people communicate effectively, and improve safety at meal times.

### Podiatry

Our Podiatrists are focused on fixing your feet for life, using proven clinical based protocols, evidence based treatment, modern equipment, and the highest standards of health and hygiene.

### Dietetics

Our Dietitians are food and nutrition experts, helping people eat and live healthier through individual dietary plans, achievable goals, and realistic lifestyle changes.

### Social Work

Our Social Workers provide a safe and impartial environment for people to talk through issues, cope with problems, and voice concerns in their lives, and can help with people's difficult healing and growth journeys.

### Nursing

Our Nurses are skilled clinicians passionate about best practice wound management, and specialised nursing advice to improve overall health and outcomes for all individuals.
